

DELIVERS THE POWER AND PERFORMANCE YOU NEED TO DRILL DEEPER AND FASTER

The new generation of reversible industrial drills with completely new ergonomical design have remarkable reduced size and weight, offering greater manoeuvrability.

Nitto Kohki air drills are silenced and are perfect for light and medium duty drilling. Complete with built-in speed control incorporated in the trigger mechanism enables maximum efficiency.

ADR65 Reversible FEATURES

- Low vibration
- Comfort grip (4.9m/s²)
- Low noise levels 87b/B (A)
- Built-in silencer
- Reversible
- Variable speed adjustment

Item Number: 075000001

Air Consumption	Free Speed	Max Drilling Capacity	Weight
19.4 cfm	2,900 rpm	6.5mm	0.8kg

ADR100 Reversible FEATURES

- Low vibration
- Comfort grip (2.5m/s²)
- Low noise levels 88d/B (A)
- Built-in silencer
- Reversible
- Variable speed adjustment

Item Number: 075000001

Air Consumption	Free Speed	Max Drilling Capacity	Weight
23.7 cfm	2,000 rpm	10mm	1.1kg
